

Yennah Mulia Winata

Yennah is currently Co-Founder & CEO of Accelerated Value Pte.Ltd which based in Singapore - a Business & Management Consulting Firm with a strong focus on the education sector and has a number of advisory roles in Singapore and Jakarta-based company groups. She is co-chair of Indonesia Chapter of *WomenCorporateDirector* which based in New York. She holds an Executive MBA (2008) degree from University of Chicago, Booth Graduate School of Business and Master of Management (2002) degree from IPMI Business School in Jakarta.

She has 26 years of extensive and successful experiences both from start up, fast growth & transformation in different industry sectors, including the education, manufacturing, distribution, trading, public accounting and food & beverages. She has served and been highly involved in various Management Committees, Boards of Directors, holding CEO role, steering the companies' activities & business development. She has held different senior leadership positions within finance and general management in multiple companies. She has strong local and international networks and recognition both within multinational companies, international organizations and leading education institution. She is a team player and has successfully forming and building up high-performing teams and the related system operating procedures & infrastructure. She has a legacy and proven track record of delivering strong results, both in quality and financial aspects.

Yennah has spent the last 14 years as a professional in Bina Nusantara (BINUS) Group. She has served as a member of the Board of Management as well as a COO and CFO at BINUS Group. With her passion in the education sector and her proven strength in managing 13 Business Leaders under her supervision, she and her team was able to promote the Group as the one of the market leaders in Indonesia education milestones. BINUS has since been regarded as of the "Role Model" School and University in Indonesia. Under her leadership, she was able to increase the active student population to 30,000 in both the School and University and bring the Group to be the most successful education institution in Indonesia.

In 2011, she was assigned as CEO in Agung Podomoro Group (APG) - Education Division, which is based in Indonesia, she has successfully took over the North Jakarta International School (NJIS), sealed the deal with Babson College as well as the almost closing deal of taking over one of the Indonesia Business School for the Group in less than one year.

In April 2012, she would take the new role as CEO in Santa laurenzia School (K-12 school) which based in Tangerang, Indonesia with the population of 2,000 student actives.
